

IEEE HNICEM 2022

14th International Conference on
Humanoid, Nanotechnology,
Information Technology,
Communication and Control,
Environment, and Management
December 1 – 4, 2022
Hybrid Conference
(Boracay, Philippines | Online)

CALL FOR PAPERS

All published research articles are submitted to IEEEXplore and indexed in Scopus.

THEME: "Intelligent Systems for Sustainable Development"

Authors are invited to submit original, unpublished manuscripts of 5 to 6 pages length.

Previously published papers or papers under review for other conferences/journals should not be submitted for consideration.

Important Dates

Papers submission in Easy chair: **September 15, 2022**

Notification of acceptance: **October 31, 2022**

CONFERENCE DATES: December 1-4, 2022

Original contributions based on the results of research and developments are solicited. Prospective authors are requested to submit their papers in not more than 6 pages, prepared in the two column IEEE format. All the accepted and presented papers will be published in the form of e-proceedings.

Papers for presentations should conform to the IEEE format and specifications. All submissions must be in English only. Authors are invited to submit full paper (Maximum 6 pages, double- column US letter size) as PDF using the IEEE templates. The IEEE paper template can be downloaded from the link given below.
